LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Cambrooke's dry batter mix comes in a two pound plastic pouch with a zip closure perfect for making fluffy pancakes, waffles, biscuits, crepes and anything the popular B'Quick can make. You won't believe how easy it is!

INGREDIENTS

Wheat starch, canola oil, hydrogenated cottonseed oil, sugar, polydextrose, baking soda, sodium acid pyrophosphate, monocalcium phosphate, cellulose gum, salt, xanthan gum, natural and artificial flavor.

Contains wheat.

DIRECTIONS FOR USE

Store in a cool, dry place for up to one year.

Pancakes: blend 1 cup MixQuick (100g) and 2/3 cup water. Pour into lightly greased, heated pan. Cook and flip until golden brown.

See the Quick and Easy Pancakes, Biscuits and Waffles recipes on our website for more ideas.

baking READI-DOUGH

June 8, 2020

serving suggestion

PRODUCT SKU 10345

NET WEIGHT 25 OZ (720 G)

SERVING SIZE 1 sheet (120 g)

SERVINGS PER PACKAGE 6

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

All-purpose yeast leavened dough sheets that provide a base for all your "Baked from Scratch" savory or sweet recipe creations. It is convenient and ideal for applications like hors d'oeuvres, crostini, pot-pie, calzone, stromboli and even desserts. The low protein dough is uniquely formulated to rise in the oven, which creates an exceptional quality crust for all your recipe ideas.

INGREDIENTS

Water, wheat starch, psyllium fiber, polydextrose, canola oil, sugar, leavening (sodium acid pyrophosphate, sodium bicarbonate, monocalcium phosphate), modified cellulose, xanthan gum, salt, yeast, calcium propanoate (preservative) fumaric acid and sorbic acid (preservatives), hydrogenated vegetable oil (contains one or more of the following hydrogenated oils: soybean oil, palm oil, and cottonseed oil and mono and diglycerides).

Contains wheat and soy.

DIRECTIONS FOR USE

Use or freeze upon receipt to maximize freshness and flavor.

Thaw the preportioned sheets for about 20 minutes. Stretch or roll, top or fill and bake.

Do not eat raw dough. Follow recipe directions for baking at proper temperatures and for specified times.

Calzone Recipe

1 CT Readi-Dough sheet

1 CT Marinara Mini

1/3 cup CT Mozzarella Shreds

1/4 cup grilled sliced mushrooms

Pre-heat oven to 400°F. Lightly spray baking sheet with cooking spray. Roll dough to 8" circle. On half of circle, within 1/2-inch of the edge, spread sauce then add cheese and mushrooms. Fold dough half over filling; firmly press edges with fork to seal. Bake 15 minutes or until golden brown.

WEL-MADE BAKING MIX

June 8, 2020

serving suggestion

PRODUCT SKU 10320

NET WEIGHT 2 LB (907 G)

SERVING SIZE 1 cup (110g)

SERVINGS PER PACKAGE 8

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Wel-Made Baking Mix comes in a two pound plastic pouch with a zip closure. Use for low protein breads and baked goods. Wel-Made is equivalent to Wel-Plan Baking Mix and is an equal replacement for Wel-Plan in recipes. One cup of Wel-Made is equal to one cup of Wel-Plan.

INGREDIENTS

Wheat starch, sugar, canola oil and fully hydrogenated cottonseed oil, xanthan gum.
Contains wheat.

DIRECTIONS FOR USE

Store in a cool, dry place.

Use as a Wel-Plan (low protein flour) replacement in your favorite low protein breads and baked goods. Use the Wel-Made Baking Mix as an equal replacement in recipes that call for Wel-Plan Baking Mix. One cup of Wel-Made is equal to one cup of Wel-Plan.

BLUEBERRY SCONES

June 8, 2020

serving suggestion

PRODUCT SKU 10610

NET WEIGHT 16 OZ (454 G)

SERVING SIZE 1 scone (58g)

SERVINGS PER PACKAGE 8

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

These are light - triangular shaped "biscuits", studded with blueberries, moist yet crumbly - like mom used to make.

INGREDIENTS

Baking mix (wheat starch, sugar, canola oil and hydrogenated cottonseed oil, xanthan gum), water, butter (natural cream, natural flavoring [lactic acid]), modified tapioca starch, wild blueberries, non-dairy creamer (sunflower oil, corn syrup solids, food starch-modified, mono and diglycerides, natural flavor, citric acid, and carrageenan), sugar, baking powder (sodium acid pyrophosphate, sodium bicarbonate, corn starch, monocalcium phosphate), cinnamon
Contains milk and wheat.

DIRECTIONS FOR USE

Use or freeze upon receipt to maximize freshness and flavor.
Thaw to room temperature or microwave on defrost 1-2 minutes.

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each package contains four of Cambrooke's own low protein pizza crusts -- each 7" in diameter. With these crusts, you get gourmet quality taste with contemporary convenience, and the satisfaction of building your own pizza with the toppings of your choice.

INGREDIENTS

Water, wheat starch, psyllium fiber, polydextrose, canola oil, sugar, leavening (sodium acid pyrophosphate, sodium bicarbonate, monocalcium phosphate), modified cellulofumaric acid (preservative), sorbic acid (preservative), fumaric acid and sorbic acid (preservatives) (contains one or more of the following hydrogenated oils: soybean oil, palm oil, and cottonseed oil and mono and diglycerides).

DIRECTIONS FOR USE

Use or freeze upon receipt to maximize freshness and flavor.

Thaw to room temperature or microwave on defrost 1-2 minutes. Preheat oven to 425° F. Add your favorite sauce, Cambrooke Foods' Mozzarella Shreds and additional toppings. Bake 10-12 minutes.

CREAMY HOT CEREAL - CINNAMON

June 8, 2020

serving suggestion

PRODUCT SKU 10638

NET WEIGHT 24 OZ (680 G)

SERVING SIZE 1/4 cup (28 g)

SERVINGS PER PACKAGE 24

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

A wholesome breakfast cereal that is quick and easy to prepare. Great for babies as a "first food". Just use half of suggested serving amount and preparation liquid.

INGREDIENTS

Cassava meal, tapioca, non-dairy creamer (sunflower oil, corn syrup solids, food starch-modified, mono and diglycerides, natural flavor, citric acid, and carrageenan), cinnamon, natural flavor (maltodextrin and flavors).

DIRECTIONS FOR USE

Store in a cool, dry place.

Stove Top: Mix ¼ cup cereal with about 1 cup water or non-dairy milk in a small pan. Bring to boil, reduce heat, cover and simmer for 5 minutes. Cereal will be thick. Add additional water or non-dairy milk to reach desired consistency.

Microwave: Mix ¼ cup cereal with about 1 cup water or non-dairy milk in a microwave safe bowl. Microwave on high 2-3 minutes, stirring once at the halfway point and again when finished. Add additional water or non-dairy milk to reach desired consistency. Let stand a few minutes before serving.

Infants and toddlers: Use 1½ Tbs of cereal and about ½ cup water or non-dairy milk and follow conventional directions above. Be careful that prepared cereal has cooled sufficiently for child. Discuss introduction of solid foods with child's physician.

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Low protein egg and omelet mix.

INGREDIENTS

Baking blend (wheat starch, sugar, canola oil, hydrogenated cottonseed oil, xanthan gum), lecithin, cheese powder (creamer [soybean oil, corn syrup solids, sodium caseinate, mono and diglycerides], modified corn starch, whey, salt, potato starch, wheat flour, yeast extract, natural flavors, extractives of paprika and turmeric), modified corn starch, salt, acetic acid, xanthan gum, baking soda, turmeric, ground mustard, paprika, pepper, glucomannan.
Contains milk, soy and wheat.

DIRECTIONS FOR USE

Store in cool, dry place.

Before measuring, use fork to fluff Eggz. Whisk 2 Tbs of loosely packed Eggz with about 2 Tbs liquid non-dairy creamer and pour into a lightly greased, pre-heated non-stick skillet. Cook until browned on underside, flip to brown the other side. Fill half with your favorite fillings and fold over the other half.

BUTTERSCOTCH CHIP COOKIES

June 8, 2020

PRODUCT SKU 10507

NET WEIGHT 14 OZ (420 G)

SERVING SIZE 1 cookie (35g)

SERVINGS PER PACKAGE 12

serving suggestion

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

These golden brown (35 g) cookies come in a package of 12, look and taste homemade - with crispy edges, a chewy center and a brown sugar, buttery taste. You will want to keep your cookie jar filled with these amazing butterscotch chip cookies!

INGREDIENTS

Wheat starch, brown sugar, modified food starch, butterscotch chips (sugar, partially hydrogenated palm kernel and palm oils, milk, nonfat milk, natural and artificial flavors [including barley protein], soy lecithin, artificial colors [yellow 5 lake, yellow 6 lake, blue 2 lake], butter, caramel color), butter (cream, natural flavorings), palm fruit shortening, tapioca syrup, water, inulin, polydextrose, oat fiber, canola oil, fully hydrogenated cottonseed oil, sugar, potato starch, leavening (baking soda, sodium acid pyrophosphate, monocalcium phosphate, soy flour), vanilla (vanilla bean extractives, water, alcohol, corn syrup), enzyme-modified soy lecithin, salt, methylcellulose, xanthan gum. Contains milk, soy and wheat.

DIRECTIONS FOR USE

Freeze upon receipt for shelf life per printed best-before date. Good for 60 days when stored at ambient temperature.

Ready to eat.

CHEWY FUDGIE BROWNIE MIX

June 8, 2020

serving suggestion

PRODUCT SKU 10722

NET WEIGHT 1.5 LB (680 G)

SERVING SIZE 28 g mix (makes 1 brownie)

SERVINGS PER PACKAGE 24

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Just add butter and non-dairy milk to make chewy, chocolatey, low protein brownies at home. Make the batch and store in your freezer for a future trip to chocolate paradise.

INGREDIENTS

Wheat starch, sugar, cocoa processed with alkali, canola oil, cottonseed oil, baking soda, xanthan gum, salt, sodium diacetate, vanilla flavor. Contains wheat.

DIRECTIONS FOR USE

Store in a cool, dry place.

Adjust oven rack to middle position and preheat oven to 350° F. Grease 9x9 inch pan or 24 mini-muffin tin. Melt 1½ sticks butter (170g). Stir melted butter, ½ cup (120g) non-dairy milk and brownie mix in medium bowl until well blended. Spread evenly until smooth in prepared pan or muffin tin. Bake about 35 minutes for pan brownies and about 15 minutes for muffin-sized brownies or until toothpick inserted in center comes out clean. Cool to room temperature, about 2 hours. Store in airtight container.

CHOCOLATE CHIP COOKIE MIX

June 8, 2020

serving suggestion

PRODUCT SKU 10720

NET WEIGHT 1.5 LB (680 G)

SERVING SIZE 19 g mix (Makes 1 cookie)

SERVINGS PER PACKAGE 36

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Make delicious chocolate chip cookies in your own kitchen in minutes! Prepared dough or prepared cookies can be frozen.

INGREDIENTS

Wheat starch, sugar, brown sugar, semi-sweet chocolate chips (sugar, chocolate, cocoa butter, milkfat, soy lecithin, natural flavors), powdered sugar, canola oil, hydrogenated cottonseed oil, baking soda, xanthan gum, salt, sodium diacetate, natural vanilla flavor. Contains wheat, milk and soy.

DIRECTIONS FOR USE

Store in a cool, dry place.

Preheat oven to 350° F. In medium bowl, stir 1 package cookie mix, 1 1/2 sticks softened butter (169.5 g) and 6 Tbs (90 mL) water until a soft dough forms. To prepare half of package: use 340 g cookie mix, 3/4 stick butter and 3 Tbs water. Prepared cookies or dough can be frozen.

Drop Cookies: Drop dough by rounded teaspoonfuls 2 inches apart on ungreased cookie sheet. Bake 10-12 minutes or until edges are light golden brown. Cool before removing from cookie sheet.

Makes about 3 dozen 3-inch cookies.

SUGAR COOKIE MIX

June 8, 2020

serving suggestion

PRODUCT SKU 10721

NET WEIGHT 1.5 LB (680 G)

SERVING SIZE 19 g mix (Makes 1 cookie)

SERVINGS PER PACKAGE 36

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Make delicious sugar cookies in your own kitchen in minutes! Prepared dough can be rolled and custom designed with cookie cutters or used to make easy drop cookies. Prepared dough or prepared cookies can be frozen.

INGREDIENTS

Wheat starch, sugar, canola oil, hydrogenated cottonseed oil, cornstarch, baking soda, modified food starch, xanthan gum, sodium diacetate, salt, natural flavor. Contains wheat.

DIRECTIONS FOR USE

Store in a cool, dry place.

Preheat oven to 350° F. In medium bowl, stir 1 package cookie mix, 1 1/2 sticks softened butter (169.5 g) and 7.5 Tbs (110 mL) water until a soft dough forms. To prepare half of package: use 340 g cookie mix, 3/4 stick butter and 4 Tbs water. Prepared cookies or dough can be frozen.

Cutout Cookies: Chill prepared dough in refrigerator for 20 minutes. On a lightly floured (starch) surface or between 2 sheets of parchment paper, roll dough out to about 1/4-inch thickness. Cut with cookie cutters or rim of glass. Place 1 inch apart on cookie sheet. Bake 9-12 minutes or until edges are light golden brown. Cool before removing from cookie sheet. If desired, spread frosting or sprinkles on cooled cookies.

Drop Cookies: Drop dough by rounded teaspoonfuls 2 inches apart on ungreased cookie sheet. Bake 7-9 minutes or until edges are light golden brown. Cool before removing from cookie sheet.

Makes about 3 dozen 3-inch cookies.

CHEESE RAVIOLI

June 8, 2020

serving suggestion

PRODUCT SKU 10413

NET WEIGHT 1 LB (454 G)

SERVING SIZE 4 raviolis (54g)

SERVINGS PER PACKAGE 8

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Fresh filled, precooked Ravioli. Cambrooke's Cheese Filled Ravioli are small pouches of fresh pasta dough filled with a low protein savory cheese blend. They can be boiled, sauteed or deep fried and served with your favorite homemade sauce, gravy or just plain with butter.

INGREDIENTS

Pasta: water, cornstarch, modified food starch, potato starch, xanthan gum, guar gum, olive oil, enzyme-modified soy lecithin, salt. Filling: water, non dairy creamer (corn syrup, hydrogenated coconut oil, less than 2%: mono and diglycerides, soy protein isolate, sodium steryl lactylate, polysorbate 60, dipotassium phosphate, artificial flavor, sodium acid pyrophosphate, beta carotene [color]), cheese blend (water, palm oil, caseinate, lactose, modified food starch, stabilizers [sodium stearoyl lactylate, pectin, carrageenan, locust bean gum, sodium phosphate, whey, salt, silicon dioxide], salt, lactic acid, sorbic acid [preservative]), breadcrumbs (water, wheat starch, psyllium fiber, polydextrose, canola oil, sugar, leavening [sodium acid pyrophosphate, sodium bicarbonate, monocalcium phosphate], modified cellulose, xanthan gum, salt, yeast, calcium propionate [preservative], fumaric acid and sorbic acid [preservatives] {contains one or more of the following hydrogenated oils: soybean oil, palm oil, and cottonseed oil and mono and diglycerides}), flavoring blend (potato starch, modified corn starch, whey, salt, wheat flour, yeast extract, natural flavor, maltodextrin, parsley).

Contains milk, soy and wheat.

DIRECTIONS FOR USE

Keep frozen.

Bring 2-3 quarts of water to a boil, salt optional. Place frozen ravioli into boiling water. Stir gently. Decrease heat and allow to simmer for no longer than 3-4 minutes. Drain and rinse carefully. Serve with your favorite sauce. INTERNAL TEMPERATURE SHOULD REACH 165° F as measured by food-grade thermometer.

*To reduce starchiness: prepare as directed, drain, and pan fry in a little oil or butter.

MICROWAVE OVEN

1. Place frozen ravioli in microwavable dish.
2. Completely cover ravioli with your favorite sauce or gravy.
3. Cover dish with plastic wrap.
4. Heat on high for about 45 seconds per ravioli.
5. Let stand covered for 5 minutes before serving.

June 8, 2020

serving suggestion

PRODUCT SKU 10412

NET WEIGHT 1 LB (454 G)

SERVING SIZE 4 pierogi (58g)

SERVINGS PER PACKAGE 7.7

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each package contains 1 lb (approximately 31) of fresh-filled, precooked, square-shaped Pierogi. The Pierogi, filled with potato and low protein cheddar cheese in a dough pocket, is a Polish delicacy. They be served boiled, sauteed, microwaved or deep fried as an appetizer or an entrée. They can be eaten plain, with your favorite sauce, or with butter and salt.

INGREDIENTS

Filling: water, potato flakes, cheese base (water, palm oil, caseinate, lactose, modified food starch, stabilizers [sodium stearoyl lactylate, pectin, carrageenan, locust bean gum, sodium phosphate, whey, salt, silicon dioxide], salt, lactic acid, sorbic acid [preservative]), cheese flavor (creamer [soybean oil, corn syrup solids, sodium caseinate, mono and diglycerides], modified corn starch, whey, salt, potato starch, wheat flour, yeast extract, natural flavor, extractives of paprika and turmeric), salt, onion powder, parsley flakes. Dough: water, cornstarch, modified food starch, potato starch, xanthan gum, guar gum, olive oil, enzyme-modified soy lecithin, salt. Contains milk, soy and wheat.

DIRECTIONS FOR USE

Keep frozen.

Bring 2-3 quarts of water to a boil, salt optional. Place frozen Pierogi into boiling water. Stir gently. Reduce heat and allow to simmer for no longer than 3-4 minutes. Drain and rinse carefully. Serve with your favorite sauce. INTERNAL TEMPERATURE SHOULD REACH 165° F as measured by food-grade thermometer.

*For best results, prepare as directed above, immediately drain and pan fry in a little oil or butter to reduce starchiness.

PORTABELLA SPINACH RAVIOLI

June 8, 2020

serving suggestion

PRODUCT SKU 10411

NET WEIGHT 1 LB (454 G)

SERVING SIZE 4 raviolis (56g)

SERVINGS PER PACKAGE 8.3

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Cambrooke's Portabella Spinach Ravioli are small pouches of fresh pasta dough filled with a low protein savory cheese with herb blend, spinach and portabella mushrooms. They can be boiled, sauteed or deep fried and served with your favorite homemade tomato sauce, gravy or just plain with butter.

INGREDIENTS

Pasta: water, corn starch, modified food starch, potato starch, xanthan gum, guar gum, olive oil, enzyme-modified soy lecithin, salt. Filling: cheese blend (water, palm oil, milk protein concentrate, nonfat dairy product solids, modified food starch, natural flavors, stabilizers [sodium stearoyl lactylate, pectin, carrageenan, locust bean gum, sodium phosphate, whey, salt, silicon dioxide], salt, lactic acid, sorbic acid [preservative], artificial color), spinach, portabella mushrooms, water, modified food starch, onions, basil, olive oil, kosher salt, garlic, black pepper.

Contains milk and soy.

DIRECTIONS FOR USE

Keep frozen.

Bring 2-3 quarts of water to a boil, salt optional. Place frozen ravioli into boiling water. Stir gently. Decrease heat and allow to simmer for no longer than 3-4 minutes. Drain and rinse carefully. Serve with your favorite sauce. INTERNAL TEMPERATURE SHOULD REACH 165° F as measured by food-grade thermometer.

To reduce starchiness: prepare as directed, drain, and pan fry in a little oil or butter.

Microwave Oven: Place frozen ravioli in microwavable dish. Completely cover ravioli with your favorite sauce or gravy. Cover dish with plastic wrap. Heat on high for 30 seconds per ravioli. Let stand covered for 5 minutes before serving.

Conventional Oven: Place frozen ravioli in pan. Completely cover ravioli with your favorite sauce. Place lid on pan or cover with aluminum foil. Bake at 400°F for 25-30 minutes or until filling is hot. Let stand covered for 5 minutes before serving.

SERVINGS PER PACKAGE 15

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each package contains 2 lb (approximately 45) of fresh-filled, potato cheese pierogi with a toasted low protein crumb coating.

INGREDIENTS

Filling: water, potato flakes, cheese base (water, palm oil, caseinate, lactose, modified food starch, stabilizers [sodium stearoyl lactylate, pectin, carrageenan, locust bean gum, sodium phosphate, whey, salt, silicon dioxide], salt, lactic acid, sorbic acid [preservative]), cheese flavor (creamer [soybean oil, corn syrup solids, sodium caseinate, mono and diglycerides], modified corn starch, whey, salt, potato starch, wheat flour, yeast extract, natural flavors, extractives of paprika and turmeric) salt, onion powder, parsley flakes. Dough: water, cornstarch, modified food starch, potato starch, xanthan gum, guar gum, olive oil, enzyme-modified soy lecithin, salt. Coating: water, wheat starch, psyllium fiber, polydextrose, canola oil, sugar, leavening (baking soda, sodium acid pyrophosphate, monocalcium phosphate, soy flour), modified cellulose, baking soda, xanthan gum, salt, yeast, calcium propionate (preservative), fumaric acid (preservative), sorbic acid (preservative).

Contains milk, soy and wheat.

DIRECTIONS FOR USE

Keep frozen.

Preheat oven to 425° F. Place frozen pierogies on a baking sheet in oven. Bake 8 to 10 minutes or until heated through. Remove from oven and serve hot as an appetizer or as a main dish with marinara or your favorite sauce.

VEGGIE DUMPLINGS

June 8, 2020

servings suggestion

PRODUCT SKU 10421

NET WEIGHT 13.5 OZ (384 G)

SERVING SIZE 1 dumpling (64g)

SERVINGS PER PACKAGE 6

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each package contains 6 - 634 gram veggie-filled dumplings. Ready to heat and serve. The soft exterior dough is filled with a savory blend of onions, mushrooms, carrots, broccoli and ginger with an Asian twist.

INGREDIENTS

Dough: water, cornstarch, modified food starch, olive oil, guar gum, xanthan gum, soy lecithin, salt.

Filling: broccoli, carrots, onions, white mushrooms, shitaki mushrooms, cilantro, ginger, modified food starch, canola oil, salt. Contains soy.

DIRECTIONS FOR USE

Keep frozen.

Heat 2 Tbs of oil in a heavy skillet over medium high heat. Lightly brown dumplings until golden on the bottom, about 4-5 minutes. Pour 1 cup water into pan; cover immediately. Cook another 4-5 minutes, covered, over medium heat until most of the liquid is gone. Uncover, continue cooking until liquid is gone and dumplings are golden. Total cook time for frozen dumplings is 15-20 minutes. Reheat in microwave.

CAMBURGERS

June 8, 2020

serving suggestion

PRODUCT SKU 10901

NET WEIGHT 10 OZ (284 G)

SERVING SIZE 1 burger (71g)

SERVINGS PER PACKAGE 4

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each carton contains 4 - 71 g low protein portabella mushroom burgers. These tasty char-broil flavored portabella mushroom burgers are easy to prepare, contain no cholesterol, no texturized vegetable (soy) protein and have only 2.5 g of fat per serving. Contains 32 mg of DHA per serving.

INGREDIENTS

Portabella mushrooms, ketchup (tomato concentrate, high fructose corn syrup, distilled vinegar, corn syrup, salt, less than 2% of: spice, onion powder, natural flavors), water, wheat starch, seasoning blend (salt, dextrose, maltodextrin, natural grill flavors [maltodextrin, natural flavors, modified food starch, corn syrup solids], garlic and onion powders, spice, natural mesquite smoke flavor, spice extractive, and silicon dioxide added to prevent caking), potato starch, canola oil, xanthan gum, guar gum, psyllium, polydextrose, sugar, baking powder (sodium acid pyrophosphate, sodium bicarbonate, corn starch, monocalcium phosphate), DHA algal oil (sunflower lecithin, rosemary extract [flavoring], ascorbyl palmitate and tocopherols [antioxidants for stability]), sodium carboxymethylcellulose, xanthan gum, salt, yeast, calcium propionate (preservative), sorbic acid, fumaric acid (preservatives) (fully hydrogenated vegetable oil, contains one or more of the following hydrogenated oils: soybean oil, palm oil, and cottonseed oil) and mono and diglycerides).

Contains wheat.

DIRECTIONS FOR USE

Keep frozen.

Stove Top/Griddle: Preheat a lightly oiled skillet or griddle over medium heat. Cook frozen patties for 3-4 minutes on each side. When grilling, it is recommended to partially cook burger in a skillet before putting on the grill.

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each pouch contains 24 - 28 gram dry servings of low in protein seafood patty mix. Just add water and oil to make your favorite seafood-flavored cakes.

INGREDIENTS

Wheat starch, potato starch, glucomannan powder, cassava flour, tapioca starch, ground shiitake mushrooms, polydextrose, canola oil, sugar, contains 2% or less of baking soda, garlic, salt, celery seeds, sodium carboxymethylcellulose, xanthan gum, sodium diacetate, yeast, dried parsley, mixed tocotrienols and tocopherols.
Contains wheat.

DIRECTIONS FOR USE

Store sealed tightly in a cool, dry place.

Combine 1/4 cup (28g) Seafood Patty Mix, 5 Tbs water (or bottled clam juice) and 1 Tbs melted butter. Let rest a few minutes until firm. Form into a patty, "fish sticks" or roll between 2 sheets of wax paper to desired thickness and cut out with fun cookie cutter shapes. Cook in a well-oiled skillet until each side is crispy-golden. Serve with tartar sauce or your favorite dipping sauce. Suggestion: Add diced onions and celery to mixture and roll in breadcrumbs prior to cooking. See cambrooke.com for stuffed clams and other great recipes.

SERVINGS PER PACKAGE 3

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each carton contains 3 - 96 gram servings of chicken-flavored nuggets. Add ease and taste to your meals with these breaded veggie pieces, made to resemble the popular chicken nuggets that are on the market.

INGREDIENTS

Mushrooms, water, breadcrumbs (wheat starch, water, psyllium, canola oil, polydextrose, sugar, baking powder, methylcellulose, yeast, xanthan gum, salt, calcium propionate [preservative], potassium sorbate [preservative], fumaric acid and sorbic acid [preservatives] [contains one or more of the following hydrogenated oils: soybean oil, palm oil, and cottonseed oil and mono and diglycerides], cassava flour), canola oil, sauce blend (water, soybean oil, vinegar, sugar, modified cornstarch, eggs, less than 2%: salt, mustard flour, paprika, spice, natural flavor, potassium sorbate [preservative], enzyme modified egg yolk, dried garlic), batter blend (water, wheat starch, canola oil, fully hydrogenated cottonseed oil, sugar, polydextrose, baking soda, sodium acid pyrophosphate, monocalcium phosphate, methylcellulose, salt, xanthan gum, soy flour, natural flavor), xanthan gum, guar gum, potato starch, seasoning blend (salt, dextrose, yeast extract, hydrolyzed corn protein, maltodextrin, sugar, monosodium glutamate, natural flavors [including extractives of celery stalk, leaf and seed], dehydrated parsley, canola oil, extractives of turmeric and paprika, malic acid, soy sauce [soybeans, wheat, salt]), DHA algal oil (high oleic sunflower oil, sunflower lecithin, tocopherols and ascorbyl palmitate [as antioxidants]), sage.

Contains egg, soy and wheat.

DIRECTIONS FOR USE

Keep frozen.

Conventional Oven: Preheat oven to 375° F. Place frozen nuggets on baking sheet and bake for about 10-15 minutes or until crisp and golden. Serve hot.

To pan fry: Pan fry lightly thawed nuggets in hot oil, turning occasionally for about 5 minutes, until crisp and golden brown. Drain on paper towels. Serve hot.

PRODUCT SKU 10922

NET WEIGHT 9 OZ (255 G)

SERVING SIZE 1 tray (255g)

SERVINGS PER PACKAGE 1

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

A delicious low protein Mexican favorite made with Cambrooke tortillas filled with a rich cheese sauce, peppers, onions and low protein rice topped with enchilada sauce. Each heat and serve meal is 255 g.

INGREDIENTS

Enchilada filling (low protein rice [cornstarch, wheat starch, white rice flour], cheese sauce [water, creamer{soybean oil, corn syrup solids, sodium caseinate mono and diglycerides}, modified corn starch, whey, salt, potato starch, wheat flour, yeast extract, natural flavors, extractives of paprika and turmeric], green pepper, onion). Tortilla (water, cornstarch, baking blend [salt, sodium bicarbonate, mono and diglycerides, sodium aluminum phosphate, sodium aluminum sulfate, calcium propionate {preservative}, fumaric acid, corn starch, wheat flour, potassium sorbate {preservative}, calcium sulfate, less than 2% hydrogenated soybean oil, guar gum, soybean oil, monocalcium phosphate, enzymes, sodium metabisulfite], baking powder [sodium bicarbonate, cornstarch, sodium aluminum sulfate, calcium sulfate, monocalcium phosphate], glycerin, cellulose gum, guar gum, xanthan gum, emulsifier [mono and diglycerides], citric acid [antioxidant], wheat starch, palm fruit shortening, turmeric). Enchilada sauce (tomato puree [water & tomato paste], chili powder, distilled vinegar, modified cornstarch, canola oil, salt, dehydrated garlic, sugar, cumin, citric acid). Contains milk, soy and wheat.

DIRECTIONS FOR USE

Keep frozen.

Microwave: Peel film back partially to allow for proper venting. Microwave on high 2 - 3 minutes, stir and cook for an additional 2 minutes (oven times may vary). Carefully open cover and serve.

Stovetop: Empty contents of tray into saucepan and gently stir until heated through.

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

A delicious vegetarian blend of diced cassava (yuca) and caramelized onions are blended in a delicious tangy, sweet, savory, hickory-bacon barbecue sauce.

Homestyle BBQ Baked Beans just got a whole lot better because Cambrooke replaced the high protein beans with comparable textured yuca. Each heat and serve meal is 320 g.

INGREDIENTS

Cassava (cassava, salt), onion, sauce blend (tomato paste, high fructose corn syrup, corn syrup, water, distilled vinegar, molasses, salt, mustard bran, natural hickory smoke flavor, spices, onion powder, sodium benzoate [preservative], garlic powder, caramel color, sugar, natural flavors), brown sugar, vinegar, mustard (distilled vinegar, water, mustard seed, salt, turmeric, paprika, spices), canola oil, garlic powder.

DIRECTIONS FOR USE

Keep frozen.

Microwave: Peel film back partially to allow for proper venting. Microwave on high 2 - 3 minutes, stir and cook for an additional 2 minutes (oven times may vary). Carefully open cover and serve.

Stovetop: Empty contents of tray into saucepan and gently stir until heated through.

NET WEIGHT 16 OZ (450 G)

SERVING SIZE 1 pizza (150g)

SERVINGS PER PACKAGE 3

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each package contains 3 complete crispy crust white sauce pizzas - to simplify your meal routine. Lightly seasoned alfredo sauce and sweet caramelized onions with a thin, crispy crust. Perfect for the hidden gourmet in you!

INGREDIENTS

Crust: wheat starch, water, psyllium, polydextrose, sugar, baking powder, methylcellulose, xanthan gum, yeast, salt, calcium propionate (preservative) fumaric acid and sorbic acid (preservatives) (contains one or more of the following hydrogenated oils: soybean oil, palm oil, and cottonseed oil and mono and diglycerides). Toppings: onions, nondairy creamer (water, corn syrup, hydrogenated coconut oil, less than 2%: mono and diglycerides, soy protein isolate, sodium stearoyl lactylate, polysorbate 60, dipotassium phosphate, artificial flavor, sodium acid pyrophosphate, colored with beta carotene), olive oil, potato starch, modified corn starch, whey, salt, wheat flour, yeast extract, natural flavor, maltodextrin, parsley, thyme, Italian seasoning, black pepper.
Contains milk, soy and wheat.

DIRECTIONS FOR USE

Keep frozen.
Remove pizza from plastic and cardboard. Place pizza on cookie sheet. Preheat and bake in 400° F oven for 10-12 minutes (oven times may vary).

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

A low protein Italian pasta shaped like tiny (2 mm in diameter) circles. This small pasta is perfect for use in broths or to use with light sauces such as garlic and olive oil. Try in cold salads where a small pasta is suggested. Also great for a early stage baby food. The Aproten line of pastas are also wheat/lactose-free and low in salt and potassium making them suitable for individuals with renal diseases as well.

INGREDIENTS

Corn starch, potato starch, inulin, mono- and diglycerides, safflower meal.

DIRECTIONS FOR USE

Store in cool, dry place.

Boil 4 cups of water per 62g of pasta. Stir pasta into the boiling water and then simmer for 10 minutes or until tender. Drain and rinse under running water for approximately 2 minutes to remove excess starch. The cooking time listed may vary depending on boiling methods and tastes.

The Aproten line of pastas are also wheat and lactose-free and low in salt and potassium, making them suitable for individuals on other special diets as well.

INGREDIENTS

Corn starch, potato starch, inulin, mono- and diglycerides, safflower meal.

DIRECTIONS FOR USE

Store in cool, dry place.

Boil 4 cups of water per 62g of pasta. Stir pasta into the boiling water and then simmer for 11 minutes or until tender. Drain and rinse under running water for approximately 2 minutes to remove excess starch. The cooking time listed may vary depending on boiling methods and tastes.

SERVING SIZE 2.2 oz dry (62g)

SERVINGS PER PACKAGE 4

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

A low protein Italian pasta shaped like long ribbons -- a good choice for serving with hearty, thick sauces. For variety, break in pieces and put into soups or use for a salad. The Aprotin line of pastas are also gluten/wheat/lactose-free and low in salt and potassium, making them suitable for individuals with Celiac and renal diseases as well.

INGREDIENTS

Corn starch, potato starch, inulin, mono- and diglycerides, safflower meal.

DIRECTIONS FOR USE

Store in cool, dry place.

Boil 4 cups of water per 62g of pasta. Stir pasta into the boiling water and then simmer for 10 minutes or until tender. Drain and rinse under running water for approximately 2 minutes to remove excess starch. The cooking time listed may vary depending on boiling methods and tastes.

PASTA DUETS - MAC & CHEESE

June 8, 2020

serving suggestion

PRODUCT SKU 10406

NET WEIGHT 7 OZ (198 G)

SERVING SIZE 2.3 oz dry (66g)

SERVINGS PER PACKAGE 3

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each carton contains 7 oz of low protein Elbow Pasta and a dry cheese mix. (Each package makes 3 servings.) A quick and easy to make Cambrooke favorite!

INGREDIENTS

Macaroni: potato starch, cornstarch, beta-carotene (color). Cheese mixture: Creamer (soybean oil, corn syrup solids, sodium caseinate, mono and diglycerides), modified corn starch, whey, salt, potato starch, wheat flour, yeast extract, natural flavor, extractives of paprika and turmeric. Contains milk, soy and wheat.

DIRECTIONS FOR USE

Store in a cool, dry place.

Stir macaroni into 2 quarts of boiling water. Add 1/2 teaspoon salt (optional). Simmer for 18 to 22 minutes or until tender and drain. Over medium heat melt 1 tablespoon of butter in same pan. Add 1 cup non-dairy liquid creamer and package of cheese mix. Blend until smooth and creamy and cheese mixture thickens. Remove from heat and return macaroni to pan. Blend thoroughly and serve.

PASTA DUETS-CRMY GARLIC & BROC RICE

June 8, 2020

servng suggestion

PRODUCT SKU 10410

NET WEIGHT 7 OZ (198 G)

SERVING SIZE 2.3 oz dry (66g)

SERVINGS PER PACKAGE 3

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each package contains 7 oz (3 servings) of dry Short Grain Rice and a dry garlic and broccoli seasoning mix. Make this delicious rice dish with a rich and creamy sauce. A quick and easy to prepare meal for lunch or dinner!

INGREDIENTS

Short grain rice: cornstarch, wheat starch, white rice flour. Garlic-broccoli dry mix: potato starch flour, maltodextrin, salt, minced dried/dehydrated garlic, broccoli - dehydrated, canola oil. Contains wheat.

DIRECTIONS FOR USE

Store in a cool, dry place.

Mix together contents of seasoning packet with 3/4 cup non-dairy liquid creamer and set aside. In a saucepan, bring 8 cups water to a boil then add rice. Reduce heat and simmer for 10-12 minutes stirring frequently until tender. Drain and rinse well with hot water and set aside. In same pan over medium heat, add sauce mixture and stir until it begins to bubble and thicken. Remove from heat and add rice back to the pan. Mix thoroughly and serve.

serving suggestion

PRODUCT SKU 10431

NET WEIGHT 7 OZ (198 G)

SERVING SIZE 2.3 oz dry (66g)

SERVINGS PER PACKAGE 3

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Each three-serving package contains 7 oz of low protein Instant Stivaletti, (stivaletti are long, skinny, elbows) and a dry Alfredo Sauce Mix. Add butter or margarine and nondairy creamer to make a quick and easy meal!

INGREDIENTS

Pasta: potato starch, cornstarch, beta-carotene (color). Cheese mixture: potato starch, modified corn starch, whey, salt, wheat flour, yeast extract, natural flavor, maltodextrin, dehydrated parsley. Contains milk and wheat.

DIRECTIONS FOR USE

Store in a cool, dry place.

Place pasta in a 2 quart microwavable bowl with hot water. Microwave on high for 3 minutes, stirring once. Rinse with hot water to remove excess starch, drain and set aside. In the same bowl, add Alfredo Sauce Mix, 2 Tbs butter or margarine and 1 cup non-dairy creamer. Microwave on high for 3 minutes, stirring once or twice until thickened. Return pasta back to the dish and gently fold into the sauce.

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Instantly have a delicious creamy dish with a hint of Parmesan flavor that is simple and quick to make. There are few dishes richer and creamier than Pasta Alfredo. Now you can have that rich, creamy goodness in just ten minutes. It doesn't get much better, or easier than this. This sauce is commonly served on pasta, but don't limit it to noodles. It also turns steamed vegetables into something rather sumptuous.

INGREDIENTS

Potato starch, modified corn starch, whey, salt, wheat flour, yeast extract, natural flavor, maltodextrin, dehydrated parsley.
Contains milk and wheat.

DIRECTIONS FOR USE

Store in a cool, dark place with lid tightly closed.

1 Tbs CBF Alfredo Sauce Mix

1 Tbs margarine

1/3 cup non-dairy liquid creamer

Melt margarine over medium heat, add Alfredo Sauce Mix. Stir while adding the non-dairy creamer. Simmer until thickened, about 2 minutes.

CHICKEN CONSOMMÉ

June 8, 2020

servings suggestion

PRODUCT SKU 10811

NET WEIGHT 6 OZ (170 G)

SERVING SIZE 1 tsp (3g)

SERVINGS PER PACKAGE 56

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

A blend of salt, spices, and natural chicken flavor to make soups and broths or to enhance your favorite dishes.

INGREDIENTS

Salt, dextrose, yeast extract, hydrolyzed corn protein, maltodextrin, sugar, monosodium glutamate, natural flavors (including extracts of celery stalk, leaf and seed), dehydrated parsley, canola oil, extractives of turmeric and paprika, malic acid, soy sauce (soybeans, wheat, salt), no more than 2%: silicon dioxide to prevent caking.

Contains soy and wheat.

DIRECTIONS FOR USE

Store in a cool, dark place with lid tightly closed.

For clear broth: Stir 1 tsp Chicken Consommé into 1 cup boiling water. As a seasoning: Add to gravies, soups, vegetables, stuffings, sandwich fillings, and sauces. Sprinkle over Cambrooke Foods' pasta.

SHAKE 'N' CHEESE

June 8, 2020

servicing suggestion

PRODUCT SKU 10309

NET WEIGHT 4 OZ (113 G)

SERVING SIZE 1 tsp (3g)

SERVINGS PER PACKAGE 37

product

LOW PROTEIN MEDICAL FOOD

For use under medical supervision for conditions such as inborn errors of protein metabolism.

Use Cambrooke's Shake 'N' Cheese to create a quick and easy cheese sauce or to season your vegetables. Sprinkle it on buttered pasta or rice to add rich flavor.

INGREDIENTS

Creamer (soybean oil, corn syrup solids, sodium caseinate, mono and diglycerides), modified corn starch, whey, salt, potato starch, wheat flour, yeast extract, natural flavors, extractives of paprika and turmeric.

Contains milk, soy and wheat.

DIRECTIONS FOR USE

Store in a cool, dark place with lid tightly closed.

Cheese sauce: Over medium heat, melt 1 Tbs margarine, add 1 cup non-dairy liquid creamer and 3 Tbs Shake 'N' Cheese. Whisk and cook until smooth and creamy.
